

PUBLIC NOTICE

Rwanda Utilities Regulatory Authority (RURA) wishes to inform all individuals, companies and other organisations who wish to use the communication equipment like Private Mobile Radios (Walkie-talkies/Ibyombo), VSAT Terminals and Satellite phones, that they must first apply for a radiocommunication license and type approval issued by the Regulatory Authority, (RURA).

Existing operators of the above mentioned equipment without proper authorizations should also inform RURA not later than 31st January 2019. Failure to comply with the above requirements may attract regulatory measures.

More information on the requirements and application forms can be found on RURA website.
