

NOTICE N° 001/RURA/RSR/019

Title: RADIATION PROTECTION REGULATION

The Management of Rwanda Utilities Regulatory Authority (RURA) informs the general public that as per the Law N°59/2017 of 24/01/2018 **Governing Radiation Protection in Rwanda**, published in *Official Gazette n° Special of 25/01/2018* started regulating the use of radioactive substances and radiation sources.

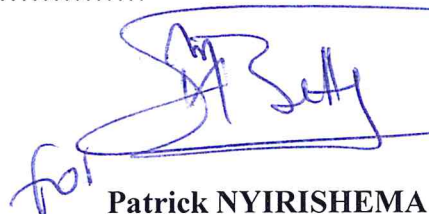

The regulation and management of the peaceful use of ionizing radiations including the production, possession, use, import, export, transportation, transfer, handling and management, or other related activities or practices are the responsibility of Rwanda Utilities Regulatory Authority (RURA).

Any person who operates or intends to operate any of these activities **MUST** apply for authorization from RURA. The Management of RURA takes the opportunity to inform all concerned companies, institutions (Public and Private), individual entrepreneurs, cooperatives and associations that all activities pertaining to use of Radiation must be performed **ONLY AFTER AUTHORIZATION IS OBTAINED!** The existing activities will continue as usual concurrently with the process of registration, notification and authorization until further notice.

The Management of RURA urges all concerned to comply with the Law.
