

ANNOUNCEMENT

As announced on 5th August 2020, regarding the use of smart meters in motorcycle transport services, Rwanda utilities Regulatory Authority (RURA) would like to remind the General Public the following:

1. From Saturday, **15th August 2020**, only moto taxis with smart meters are permitted to operate in the City of Kigali (CoK). Moto taxis without smart meters will be facilitated to obtain them, before they are allowed to operate;
2. Moto taxi drivers operating in provinces will continue to operate without meters, till implementation of smart meters is extended to all the provinces (at a later time). However, they are required to adhere to cashless payment methods;
3. Passengers in CoK are required to use **ONLY** moto taxis with smart meters, and adhere to cashless payment methods (through the meter). Please be aware that moto taxis without meters are operating illegally;
4. Moto taxi drivers are reminded to drive safely on the road in order to maintain their safety and that of commuters;
5. Moto taxi drivers and passengers are reminded to strictly observe all COVID-19 preventive measures put in place by GoR;
6. The implementation of the use of motor taxi smart meters will continue to be monitored, to insure the general public interest is met;
