

COMMUNIQUE

The Rwanda Utilities Regulatory Authority (RURA) informs the public that, effective **4 April 2026 at 6:00 am**, the maximum retail prices for petroleum products, inclusive of Value Added Tax (VAT), are revised as follows:

- **Gasoline (Petrol):** Not exceeding **2,303 Frw/L**
- **Diesel:** Not exceeding **2,205 Frw/L**

These adjustments reflect prevailing international market trends, as well as Government measures to mitigate the impact of global price fluctuations.

In light of changes in fuel prices and other key operational cost drivers, the public transport base fares have also been revised as follows:

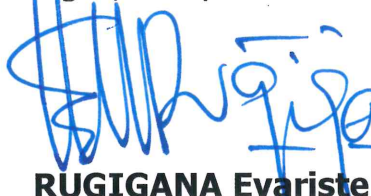

- **City of Kigali:** **59.28 Frw** per passenger per kilometre
- **Intercity:** **41.58 Frw** per passenger per kilometer.

The revised transport tariffs shall be implemented effective **6 April 2026**, with detailed fares per route available on www.rura.rw.

The public is encouraged to plan travel efficiently, use public transport and avoid unnecessary trips and in order to reduce fuel consumption.

RURA will continue to monitor market developments and ensure fair pricing and reliable service delivery.
